2 DISTRICT OF NEVADA

4 GABRIELLE BRANON-CHESLEY, et al.,

5 Plaintiffs,

6 vs.

2:19-cv-01394-GMN-VCF

7 **ORDER**

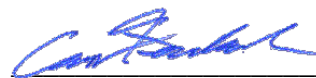

8 GLORIA MALDONADO, et al.,

9 Defendants.

10
11 Plaintiffs filed a sealed motion to compel the defendants to produce unredacted copies of the
12 documents referred to in the briefing as Exhibits 1, 5, and 17. ECF No. 133. Plaintiffs argue in the
13 alternative that I should conduct an in-camera review of these documents. *Id.* Defendants argue in their
14 response that if I conduct an in-camera review of these documents, that I should also conduct an in-
15 camera review of a related document it refers to as Exhibit 13. ECF No. 144.

16 I ORDER that by Monday, April 18, 2022, the parties must deliver the documents described as
17 Exhibits 1, 5, 13, and 17 to chambers for an *in camera* inspection in accordance with LR IA 10-4. The
18 documents must be delivered directly to the chambers of U.S. Magistrate Judge Cam Ferenbach and be
19 in a sealed envelope marked "CONFIDENTIAL AND DO NOT FILE." I will decide the issues the
20 parties raised in the briefing on this motion following my *in camera* review of these documents.

21 DATED this 29th day of March 2022.
